SUBJ: Full Pressure Suit Modification

We have been requested by the Operational People to include a suit-mounted altimeter in their suits. This would entail making a modification kit for the bio-medical outlet.

The altimeter would be a GFE item. The price for the kit as supplied is \$285.44 each. (\$259.28 Costs - \$16.16 Fee). To modify twenty-nine (29) suits, the price would be \$8,277.76 (\$7,509.12 Costs - \$468.14 Fee).

Please expedite your approval on this item so that we may proceed.

Very truly yours,
